Presenter

Paul Mellor, author of "Memory Skills for Lawyers," was a finalist in the USA Memory Championship. During the competition, Mellor recalled the names of over 90 people in less than 15 minutes, recalled over

100-single digit numbers after a 5-minute study, and remembered the exact order of a shuffled deck of playing cards after less than a 4-minute review. He has presented memory skill programs in each of the 50 states, including numerous programs to firms and Bar associations.

Program

In today's hectic world, the edge goes to the person with the best memory. For attorneys, a trained brain makes you more focused and productive enabling you to recall names and faces, speak in court without notes, and get you through a day without the fear of forgetting. Attendees will learn techniques to quickly and accurately retain vital information.

We've been using our brains all of our lives, yet for many of us, have never been taught on how to use our heads. This program proves that memory is a skill that can easily be mastered. Sign up today, before you forget!

Due to Gov. Tom Wolf's COVID-19 facility restrictions, the ECBA will hold programs live when possible, via Zoom or a combination of both. The Will J. Schaaf & Mary B. Schaaf Education Center can **ONLY seat 16 people**. Once that limit has been reached, the remaining registrants can participate in the CLE via Zoom.
